Flagship Model

UL20 Series

GMS Certified · android enterprise recommended

Durable, Frost-Free Product

- ✓ Auto Defogging Technology with A.I. Algorithm
- ✓ IP67 Sealing (Dust/Water/2.0m-Drop Proof)
- ✓ Keypad (28/35/53 Keys + Function Keys)
- ✓ Long-Range (max. 15m) / Angled (25°) Scan available
- ✓ 5-Inch FHD LCD (1920 x 1080)
- ✓ Octa-Core CPU
- ✓ Fast-Charging / Hot Swap Battery

SM15 Series

GMS Certified · android enterprise recommended

Scan-Intensive Product

- ✓ Selective Touch (Glove Touch / Wet Touch / Finger Touch)
- ✓ 30+ Types of accessories
- ✓ 5-Inch FHD LCD (1920 x 1080)
- ✓ Octa-Core CPU
- ✓ Fast-Charging / Hot Swap Battery
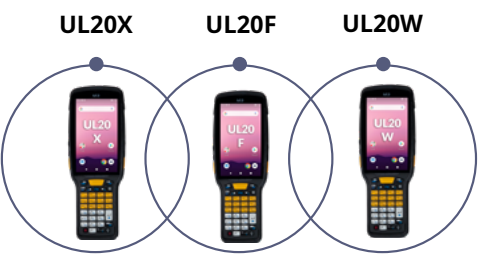

SL10 Series

GMS Certified

Slim Design Product

- ✓ Light Weight (260g)
- ✓ Reasonable Price with Quad-Core CPU
- ✓ Removable Battery
- ✓ Physical Keys (SL10: 4 Front Keys / SL10K: Alpha Numeric Key)
- ✓ Data-only / LTE type available

AIDC Solution

Certification

Official partner of Google
(Earned AER Certification)

Data Capture Technology

Long-range 1D/2D Barcode scanner,
RFID Reader, AF/PDAF Camera

Innovative Technology

Auto-Defogging Technology by using
A.I. Algorithm in low temperature

0°C

-30°C

Latest Network Technology

5G (In-progress), LTE (4G) ,
HSPA+ (3.5G), HSDPA (3G),
GSM/GPRS (2G), CDMA 1x

Advantages

1 **Latest Update**

By earning Google's AER Certification it allows validation of latest updates in OS, Security Patch.
This results in development of new products as well.

2 **Service Response**

M3 Mobile is well-known for fast technical support (within 24 hours) and various service package.

3 **Product Option**

M3 Mobile has strength in product line-up for many use cases.

4 **Multi-Purpose Usability**

The products can be used in many type of industries.
(T&L, Retail, Warehouse, Manufacturing, Public Service etc)
